

## Power Prayer For Your Business

Heavenly Father, we thank you and praise you. We thank you, Lord, for the victory that has already been won through Jesus Christ. We thank you that the battle's already been won, that you are Jehovah Jireh, the God who supplies all of our needs. You are the Alpha and Omega. You are the beginning and the end, the first and the last. We thank you, Almighty God, that you are overseeing everything that we're going through, and you'll never allow us to be in a situation where you haven't already made a way of escape because you're a good God.

We bind demonic forces that would try to suppress creative thoughts, bring confusion and miscommunication within our teams, delay favorable contracts, negotiations, customer purchases, or revenue growth.

According to Proverbs 3:5–6, you said that if we trust you with all our heart and lean not to our own understanding, but in all our ways acknowledge you, you will direct our path. We loose divine direction for growth and supernatural impact.

We loose supernatural wisdom and we invite you, Holy Spirit, to assist us in decision-making, team meetings, operational changes, development of new concepts, solutions, and witty inventions. You said if any man lacks wisdom, all he has to do is ask of you, and you will pour out freely and won't hold back. We ask you for your wisdom. (James 1:5)

In the Name of Jesus, we come against unfounded legal action, fraudulent lawsuits, and demonic agendas meant to damage our reputation and steal our resources. We declare according to Isaiah 54:17, that every tongue that rises up against us in false judgment shall be shown to be in the wrong.

We declare we have a 10x better anointing like Daniel had in all matters of wisdom and understanding.

We loose the anointing for unusual supernatural acceleration. Just like when Peter was fishing, we thank you, Father God, that things that should have taken years will only take weeks or days.

We bind demonically driven obstacles, setbacks, misinformation, and barriers. As you said in Mark 11:23–24, we can speak to the mountain and it must obey us.

We bind mental and emotional distractions. We bind mental frustration—things that were meant to drain our energy. We take authority over every spirit of depression, oppression, witchcraft, mind control, sorcery, exhaustion, burnout, apathy, anxiety, confusion, cynicism, and mental torment. We bind every spirit of low self-esteem, manipulation, harassment, and every Jezebel spirit that would try to stop the anointing in our lives from flowing in full measure.

We thank you, Lord, for new things taking place. As you said in Isaiah 43:19, behold, you are doing a new thing, now it shall spring forth, shall we not know it? Help us, Holy Ghost, to discern the times, seasons, and the changes necessary for exponential impact.

We declare that this year we will experience record growth, the most profitable partnerships, synergy within the staff and board members, and no more suppression of big vision. We bind every perizzite spirit, in the name of Jesus, and we declare that we will think big. This will be a year of superior clarity and discernment, unusual favor with partners and vendors, debts canceled, properties attained, businesses attained, assets acquired for no money, contracts and agreements being revised with more favorable terms, and miracles taking place daily.

We declare that we are on the cutting edge, Father, of industry changes and cultural shifts. The agency of the Holy Ghost allows us and shows us things to come.

We declare that our stores are safe and free from crime. Our business locations are off-limits to theft and vandalism. Our servers and databases are free from hackers and ransomware. Angels, we command you to stand watch over our property, both physically and virtually, that no weapon formed against us or our assets shall prosper.

We decree that this will be the year of news-making, record-breaking, trend-setting, undeniable results. We are God's people, created for signs and wonders.

Angels, we release you now to go and get customers and clients. We release you now to gather up the harvest. We command you now to go to war on our behalf, that nothing will stop us from executing God's will through our organizations, businesses, and future endeavors.

Heavenly Father, we submit our Kingdom businesses, our organizations, our ministries, and our plans back to you, to serve your agenda here on the earth. Your Kingdom come and your will be done on earth as it is in heaven.

In Jesus' Name, Amen!
